ASHRAM SONGS
A DIGITAL SONG BOOK

Introduction

The ashram songs (“Ashrama Padalgal”) project is initiated and run under the guidance of our Beloved Ma Devaki Mathaji. Under Her loving guidance, these songs are being reproduced in the same tune in which it was sung before Bhagwan Yogi Ramsuratkumar. The songs have been formally recorded and arranged by Dr. Smt. Gayatri Girish accompanied by a team of devotee singers. These ashram songs were sung in the very divine presence of Bhagwan Yogi Ramsuratkumar and are so soulful, rich with insightful lyrics and devotion. The songs are being released in phases by the Yogi Ramsuratkumar Ashram, Tiruvannamalai.

Digital song book is a compilation of these songs released by the ashram. The book contains Tamil as well as English Transliterated lyrics for each song. Further, a link to the original audio of the song has been included against each song. The intention of this book is to enable devotees and singers to have easy access to all ashram songs and learn / sing them the right way. Ma Devaki Mathaji often says that those who listen to or sing these songs will be abundantly blessed by Bhagwan Yogi Ramsuratkumar.
